

# 3<sup>rd</sup> East African Banking & Microfinance Forum 2020

Banking at a Time of Global Crisis: Perspectives, Challenges and Opportunities  
5 - 6 November 2020 (Virtual Event)

**150**

Delegates

**35**

Speakers

**10**

African states  
represented

**3**

Networking  
breakout sessions

This two-day conference will explore pertinent issues that are faced by the East and Southern African banking community in particular, but also by the global finance sector as a whole.

**The 3<sup>rd</sup> East African Banking & Microfinance Forum** provides a vital platform for all government stakeholders and private sector organisations to engage on the region's growth strategy, trends and policy developments, post-pandemic recovery and the adoption of fintech and digitisation in the African banking sector.

## JOIN ME AND MANY OTHER INDUSTRY-LEADING SPEAKERS, AS WE ADDRESS THE FOLLOWING TOPICS:

- Trends and developments
- Fiscal policy
- Pandemic impact
- Sovereign debt management
- MSME financing
- Blockchain technology
- Blended finance
- Fintech and digitisation
- Managing distressed assets
